

Career @ TUM SOM CAREER CONNECTIONS by the Student Council

Your connection to TUM School of Management.

With a membership in the TUM BWL e.V., your company can target career events and job offers purposefully among our students. As students of the Technical University of Munich we enjoy an education at the interface between management and technology. Our graduates have the mindset of a manager and the understanding of an engineer – optimally prepared for today's challenges.

Benefits of a membership:

- Higher prominence at TUM School of Management with over 5000 students
- Access to high potentials
- More job and career event applications

Our services:

- Long-term access to our students via job board, newsletter and social media
- Numerous exclusive pro-motion possibilities e.g. posters and flyers, but also at our events/

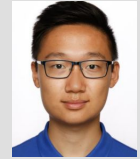

Our membership offers:

- Start-Ups: 500€ set-up fee plus 500€ annually
- Corporates: 500€ set-up fee plus 1000€ annually

How to approach us:

Send us an e-mail to careers@tum-som.com to get detailed information about the membership and its advantages
